THE WORLD CAN'T WAIT! DRIVE OUT THE BUSH REGIME!

YOUR GOVERNMENT, on the basis of outrageous lies, is waging a murderous and utterly illegitimate war in Iraq, with other countries in their sights.

YOUR GOVERNMENT is openly torturing people, and justifying it.

YOUR GOVERNMENT puts people in jail on the merest suspicion, refusing them lawyers, and either holding them indefinitely or deporting them in the dead of night.

YOUR GOVERNMENT is moving each day closer to a theocracy, where a narrow and hateful brand of Christian fundamentalism will rule.

YOUR GOVERNMENT suppresses the science that doesn't fit its religious, political and economic agenda, forcing present and future generations to pay a terrible price.

YOUR GOVERNMENT is moving to deny women here, and all over the world, the right to birth control and abortion.

YOUR GOVERNMENT enforces a culture of greed, bigotry, intolerance and ignorance.

People look at all this and think of Hitler—and they are right to do so. The Bush regime is setting out to radically remake society very quickly, in a fascist way, and for generations to come. We must act now; the future is in the balance.

Millions and millions are deeply disturbed and outraged by this. They recognize the need for a vehicle to express this outrage, yet they cannot find it; politics as usual cannot meet the enormity of the challenge, and people sense this.

There is not going to be some magical "pendulum swing." People who steal elections and believe they're on a "mission from God" will not go without a fight.

There is not going to be some savior from the Democratic Party. This whole idea of putting our hopes and energies into "leaders" who tell us to seek common ground with fascists and religious fanatics is proving every day to be a disaster, and actually serves to demobilize people.

But silence and paralysis are NOT acceptable. That which you will not resist and mobilize to stop, you will learn—or be forced—to accept. There is no escaping it: the whole disastrous course of this Bush regime must be STOPPED. And we must take the responsibility to do it.

And there is a way. We are talking about something on a scale that can really make a huge change in this country and in the world. We need more than fighting Bush's outrages one at a time, constantly losing ground to the whole onslaught. We must, and can, aim to create a political situation where the Bush regime's program is repudiated, where Bush himself is driven from office, and where the whole direction he has been taking society is reversed. We, in our millions, must and can take responsibility to change the course of history.

Acting in this way, we join with and give support and heart to people all over the globe who so urgently need and want this regime to be stopped.

This will not be easy. If we speak the truth, they will try to silence us. If we act, they will try to stop us. But we speak for the majority, here and around the world, and as we get this going we are going to reach out to the people who have been so badly fooled by Bush and we are NOT going to stop.

The point is this: history is full of examples where people who had right on their side fought against tremendous odds and were victorious. And it is also full of examples of people passively hoping to wait it out, only to get swallowed up by a horror beyond what they ever imagined. The future is unwritten. WHICH ONE WE GET IS UP TO US.

**THE WORLD CAN'T WAIT
➔ DRIVE OUT
THE BUSH REGIME!**

On the night of President Bush's STATE OF THE UNION ADDRESS: BRING THE NOISE! DROWN OUT BUSH'S LIES! DRIVE OUT THE BUSH REGIME! In large cities and small towns all across the country, join us in rallies one hour before Bush's address as we make our determination to DRIVE OUT THE BUSH REGIME the political message of the day. Then, AT 9:00 PM EST, just as Bush starts to speak, everywhere we will BRING THE NOISE. In a cacophony of sound, we will drown out his address with music and noise—drums and jazz processions, hip hop and classical violins, banging pots and pans, air horns, kazoos, whistles, and our voices.

Then, DEMONSTRATE SATURDAY (following the State of the Union Address) in WASHINGTON D.C. On the Saturday after the State of the Union address, massive numbers of us will protest at the seat of government. Prominent voices of conscience will help deliver the people's verdict on Bush's criminal regime and program. Our voices will ring through the streets of the Capital and echo around the world, making history, with our demand: **BUSH STEP DOWN AND TAKE YOUR PROGRAM WITH YOU!**
